IMAGINE THIS WOMEN'S INTERNATIONAL FILM FESTIVAL ANNOUNCES OFFICIAL LINEUP FOR 4TH EDITION, RUNNING NOVEMBER 7-10

Brooklyn, NY (October 3, 2019) – The 4th annual Imagine This Women's International Film Festival (ITWIFF), unveiled its 2019 official lineup. This year's festival includes a happy hour, screenings, screenplay competition, networking parties, and a Seed & Spark Pitch workshop. ITWIFF film festival will take place from November 7–10th, 2019, at Firelight Studios, Alamo Drafthouse, and UnionDocs in Brooklyn, NY.

With a line-up of feature-length and short documentaries as well as narrative and animated, music videos and web series, the fourth annual ITWIFF will showcase bold stories from established and emerging female filmmakers. Selections for this year will take audiences around the globe featuring original works from local and international filmmakers from countries such as Nigeria, Australia, Iran, Germany, Denmark, to name a few. The 2019 line-up will bring thought-provoking, inspiring, and diverse stories to the community. Among works selected for the festival, eight will be making their world premiere, three others will make their United States Premiere, two will make their East Coast premiere, another three will make their New York Premier and one make its Brooklyn premiere.

"According to statistics, women still lag behind men directors in the film industry," ITWIFF Co-Founder Patrice Francois said. "We are trying to create a platform of diverse storytellers from all over the world that is available to everyone to create an inclusive environment that supports and elevates women storytellers. We create opportunities for women to take their stories to the screen and share with the community."

ITWIFF is extremely grateful to its sponsors, each of which have aligned with the festival and contribute to enhancing the overall festival experience. This year's sponsors include Final Draft, the choice of professional screenwriters and filmmakers around the world; Seed&Spark, a new streaming service that connects audiences to original new voices in independent filmmaking via subscription streaming and crowdfunding services; International Screenwriters' Association (ISA) was founded by independent filmmakers who understand that there are many different roads to success. We believe that everyone, from all walks of life, have stories to tell, each with a unique perspective and style; Pod Brooklyn Hotel, a minimalist hotel and living space in Williamsburg, Brooklyn, one of New York's most vibrant, trendy neighborhoods, Red Giant makes tools, films and training to enrich the community of filmmakers and motion designers; FL Studio, is a complete software music production environment or Digital Audio Workstation (DAW); and Hio, will discover handpicked and exclusive brands from around the world.
